To,

M/s. Aquatic Theme LLC
P.O Box 128504,
Dubai, UAE.

Kind Attn. Mr. John K Vengalil - Managing Director

Project: DHANUSHA BIOLOGICAL UNIT, NEPAL.

Subject: Design and development of Dhanusha Biological Unit, Nepal.

Dear Mr. John

Further to our various discussions and your experienced team's visit, regarding the above project we are pleased to appoint Aquatic Theme LLC as a consultant for the same.

As discussed the above project will consist of Core Zoo, Open Safaries like African and Asian, Museum, Children's park, Boating area, Botanical garden, Library and Interpretation Centre. You will also do the pilot and detailed study for the total Infrastructure facilities including Town planning.

The total area allocated for this project is 320 hectares, which includes existing forests and marshy land, out of which 35 Hectors for Lion Safari, 53 Hectors for African big Ungulates, 23 Hectors for Tiger Safari, 30 Hectors for Bear Safari, 18 Hectors for Boating, 50 Hectors for Core Zoo and the balance will be allocated for the required backup infrastructures like Vet Hospitals, administrations blocks, food storage facilities, conservation and breeding center for endangered species and rescue centre. Museum, Library and research centre will also be included.

You will put in place your expertise combined with ideas of your experienced team and follow international standards to make this a world class attraction for visitors locally and abroad. All assistance will be extended to Aquatic Theme LLC from our side and the concerned Government authorities at all times.

Thanking you

Sincerely

Dev Narayan Mandal
Chairman
Mithila Wildlife Trust
